

Falling Up - Forms And Shapes

tom:
 Gb (forma dos acordes no tom de E)
 Capotraste na 2ª casa

Help! Things have shaken me
 Vascular waves, tracing the same three colorings I have
 But now I just noticed this

Slow motion inside
 Changing this all somehow

Acordes

Calling out to take us
 Life in between lines
 We're wounded and terrified
 Calling out to save these lonely forms and shapes

This light with angles spinning here
 Worked through my lungs
 And spoke out the seams with architect
 Now how could I turn back?
