Am C
Leave me where you found me

F C G
With the arms of the darkness surrounding, around me

Am C F
Throw dirt in my eyes and try convincing me

C G
My love is blind

Am F C G
I lost you in the rubble like a diamond to the rough

Am F C G
Or a face beneath the stubble when the times are tending tough

Am C F G Am C F G
I?m giving up, on giving up

Am C F C G
Here we lay to rest a younger man than the one I now am

Am C F C
I now am half the one he was when I smothered him beneath my skin

Am F C G
Curse my fickle heart, my stubborn ways, my foolish pride

Am F C
Wondering if ever there a better way to live or least some better way to die

Am C G F
Today is the first day of the rest of my life

Am C G F
Today is the first day of the rest of my life

Am C F C G
I?m learning how to die

Am C F C
I set my sails for safer waters, I left my love for higher ground, don?t look down

Am C F
I am watching from above, you sinking like a stone

C G
I let you drown, I let you drown

Am F C G

Down on luck like a sinner feeling sorry for myself

Am F C G
Preacher man says if I?ll be damned you're going straight to hell

Am C G F
Your god don't love you anymore

Am C G F
My god, don?t you love me anymore

Am C G F
I am feeling I?m not where I am going

Am C G F
I am feeling I?m not where I am going

Am C G F
I am feeling I?m not where I am going

Am C G F
Or what I am going to become

Am C F
The air is static in the attic where the ghosts of our past live, they are rust and bone, rust and bone

Am C F
I still think of you out of habit like some kind of madness, but I am letting go, I?m letting go

Am C F
Of all my reasons for fear of failure, my demons beneath me screaming let me out, let me out

Am C F
But I?m buried beneath the covers with the ghosts of my lovers thinking never or now, never or now

Am F C G
I?m losing sleep, I lost you once, I wont lose you now again

Am F C
I?ll scream and shout till my lungs give out, till the blood runs cold beneath the skin

Am C G F
Forever my love

Am C G F
Forever my love

Am C G F
Forever my love

Am C G F
Forever my friend
