Think my friend's in danger now
                   Gm
My friend's in danger now
          G Gb F
It's all a bad, bad, bad dream
          G
             Gb F
                         Ε
Sometimes a bad, bad, bad dream
Could wake a good man from his sleep at night
(A Em A B A Em)
(D Gb Gm C)
My friend's in danger now
                     Gm
Cause my friend's in danger now
My friend's in danger now
                   Gm E
My friend's in dange now
