Gbm Bm Gbm Bm
Darling, I've been having dark dreams

Gbm Bm Gbm Bm
Darling, I've been having sad dreams
Gbm Bm
I don't know where I've been
Gbm
But I know what I've come to

D A
How about we play a game
E
I know you'll like it, oh?
Gbm
You stay as far as you can

Before they get to you
D A
I may seem crazy but
E
It's only 'cause I am
Gbm
Before they capture your mind

Run, run
D Gbm A E
Run? Run?

D
I'm tired but I can't sleep
Gbm
'cause they're waiting for me
A E
These bad dreams are more than true
Gbm Bm Gbm Bm
And they'll get you

Gbm Bm Gbm Bm
And they'll get you

I hope you don't see them

Gbm Bm Gbm Bm
Glances, all I see are glances left and right
Gbm Bm
They like it
Gbm
When they know I'm anxious

Gbm Bm Gbm Bm
Shadows, all I see are shadows
Gbm Bm
Hiding where the wind blows
Gbm
And where my mind got torn
