

Faouzia - Elon

tom:

Intro: B Gb Ebm Db

[Primeira Parte]

Oh, honey, the truth is

I don't really like you

I know you don't like me

It's long gone

We've run out of phrases

We've run out of pages

I know that it's shorter than we thought

We can keep pretending

Play pretend is fun when

We got on the costumes at the show

But we've been throwing punches

We've been throwing daggers

In an auditorium all alone

[Pre-Refrão]

All the smoke and mirrors are long gone

All the pretty flowers are dead in thorns

Every little thing we do is toxic, oh

You feed me the poison I've been feeding you

All the smoke and mirrors are long gone

All the pretty flowers are dead in thorns

Every little thing we do is toxic, it's so toxic

[Refrão]

So I'll go

Cause I don't like this anymore

It doesn't take an Einstein, doesn't take an Elon

To know that it's all wrong

So I'll go

Cause I don't like this anymore

It doesn't take an Einstein, doesn't take an Elon

To know that it's all wrong, it's all wrong

(B Gb Ebm Db)

[Primeira Parte]

Oh, honey, the truth is

I can't really stand you

I know you can't stand me

It's alright

Can we just be honest

We break every promise

Don't you know that two wrongs

Don't make right

It's imagination

We're hallucinating

Making up a story

That's not there

Temper overload

We're at each other's throats

Like there is no tomorrow

It's not fair

[Pre-Refrão]

All the smoke and mirrors are long gone

All the pretty flowers are dead in thorns

Every little thing we do is toxic, oh

You feed me the poison I've been feeding you

All the smoke and mirrors are long gone

All the pretty flowers are dead in thorns

Every little thing we do is toxic

It's so toxic

[Refrão]

So I'll go

Cause I don't like this anymore

It doesn't take an Einstein, doesn't take an Elon

To know that it's all wrong

So I'll go

Cause I don't like this anymore

It doesn't take an Einstein, doesn't take an Elon

To know that it's all wrong, it's all wrong
