

# Far Cry 5 - Oh John

tom:

D

[Primeira Parte]

Come brothers and come sisters  
 Come weary and come strong  
 Come meet the man who reaps the land  
 On which we walk upon  
 The time has come for judgment  
 But we ain't done nothing wrong  
 Join us, so we all can sing along

[Refrão]

Oh John (Oh John)  
 Bold and brave  
 He's finding us a family  
 He's teaching us the faith  
 Oh John (Oh John)  
 Keep us safe  
 He's gonna march us right  
 Through Eden's Gate  
 Oh Lord  
 He's gonna march us right  
 Through Eden's Gate

[Segunda Parte]

Come mothers and come fathers  
 Come caring and come fierce  
 You've got to see this for yourself  
 If you don't believe your ears  
 The blessing just takes minutes  
 But it lasts a thousand years  
 In holy water, there can be no tears

[Refrão]

Oh John (Oh John)  
 Bold and brave  
 He's finding us a family  
 He's teaching us the faith  
 Oh John (Oh John)

Keep us safe  
 He's gonna march us right  
 Through Eden's Gate  
 Oh Lord  
 He's gonna march us right  
 Through Eden's Gate  
 [Terceira Parte]  
 Come elders and come children  
 Come wisdom and come fire  
 You've got to see how strong you'll be  
 When you're free of all desire  
 Our country made a promise  
 But you cannot trust a liar  
 So grab a book and step into the choir

[Refrão]

Oh John (Oh John)  
 Bold and brave  
 He's finding us a family  
 He's teaching us the faith  
 Oh John (Oh John)  
 Keep us safe  
 He's gonna march us right  
 Through Eden's Gate  
 Oh Lord  
 He's gonna march us right  
 Through Eden's Gate  
 Oh John (Oh John)  
 Bold and brave  
 He's finding us a family  
 He's teaching us the faith  
 Oh John (Oh John)  
 Keep us safe  
 He's gonna march us right  
 Through Eden's Gate  
 Oh Lord  
 He's gonna march us right  
 Through Eden's Gate
