

# Far From Alaska - Deadmen

tom:  
 Say, whatever you might say  
 Will never ever hurt a man  
 Who truly faced death  
 Embrace, it's nothing more than waste  
 If lifetime is for playing my friend  
 Get better at the game

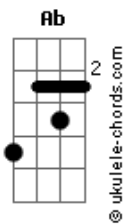

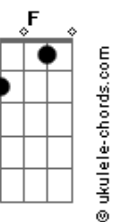

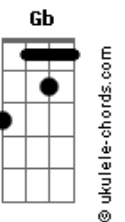

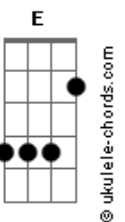

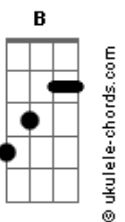

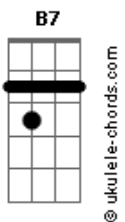

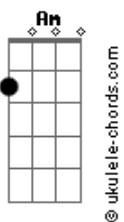

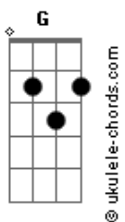

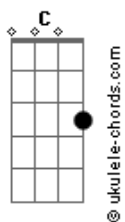

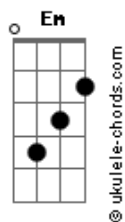

[Refrão]

Man, it's all a shame  
 Don't pity-look me when  
 I'm not empty handed like you

( Em )

Got to pay your debt  
 Before this story fades away  
 'Rá dara rá', hard is brightening the past  
 Better lie and leave behind  
 Tomorrow looks so clear

## Acordes

'Rá dara rá', if you're sorry I forgive you  
 If you're sorry I forgive you  
 If you're sorry I forgive you

( Em )

Dance, we're called "The Deadmen"  
 No matter how deep we are  
 We'll see the sun again
