

# Far From Alaska - Relentless Game

Tom: A	E --5--
	Break me, take me
Spent my living	Relentless game
Feeling blue	Cause I'm not the one
Full of boundaries	I was before and I claim to
Like I was taught to	Live and die among the rest
Spent my living	Break me, take me
On my own	Relentless game
Feeling sorry	Off the chains I go
For what I've become	
	Release my soul and drown myself
	In tides of what is truly new

Ritmo por trás da próxima parte

Catatonic	The world's weight on my back
White blank page	And I'm not going back home
No aim, no goal	In my journey I craft
Walking in a maze	The love, the joys of tomorrow (I'm not going back home)
