

Fat Freddy's Drop - Blackbird

```
Tom:
Intro: Gm Bb Eb D
There was one before
    Bb Eb
And now are many
And as the days go by
   Bb Eb D
I see them multiple
Gm
I can't eat
I can't sleep
      Bb
Because I know
     Eb
They've been watching me
Something on the breeze
      Bb
This shadows keep falling down
On me
            Bb
There's a, blackbird (yeah, yeah)
In my garden
```

Acordes
