Oh pour me another drink

In the concentration camp  
G  
Where my organs scream "slow down, man!"

Ooooooooooh  
G  
How was I to know  
G  
Milk and honey flow  
A7 D7  
Just a couple states below  
G

Verse:

Oh hook me up to the tank  
And roll me to the door  
I'm going where my body leads me  
I can fend for myself  
With what looks I have left  
I'll put away a few  
And pretty soon  
I'll be breaking things like Howard Hughes

Chorus (same as first)

Chorus:

G  
Ooooooh  
G  
Forgive me how it was  
G  
A place under the sun  
A7  
Just before the devil made me run  
D7  
Run boy, run boy

Interlude

End on G
