

# Father John Misty - Real Love Baby

Tom: A

Afinação: D G C F A D

[Verse]

Our hearts, are free  
 So tell me what's wrong with the feeling  
 I'm the flower, you're the bee  
 It's much older than you and me  
 I'm in love, I'm in life  
 I belong to the stars and sky  
 Let's forget who we are for one night  
 We're like animals baby it's the people and I

Chorus:  
 I want real love, baby, ooh don't leave me wating  
 I got real love, baby, waiting til you taste me  
 I want real love, baby, there's a world inside me

Got the key just use it, just before I'm in it
