

Fear, and Loathing in Las Vegas - Jumpo Around

Tom: A
Intro: Eb Ab Bm Bb

Summer has now come
Eb
Wow!
Eb Bb
The time to jump at the beach has now arrived
Eb Ab
Come on, lets play with us
Eb Ab
Why don't we hop around the hot summer shore
Eb Bb
Forget all the boring stuff we got to care and have fun
Ab
The sun shines bright upon the sky
Bb
Tanning our skin hot and brown
B
This place is our play ground for us to play
Eb Ab
Everyday we have to bother with many shits
Bm
I know how it really suck but for
Bb Ab
Now why not party and jump all night long with us
Eb Ab
Bm
I get how you feel so dull to face problems you would never want
Bb B C Eb
But for now lets jump and sing all night long
Eb
Jump now!
Eb
Shake the floor and shake the earth with both of your feet
Eb
Create and feel the beat
Eb
Jump as high as the sky
(Eb Ab Bm Bb)
Eb Ab

The sun is falling into the blue ocean
Eb Bb
Coloring the scenery into orange but its not over
Bm Ab
Even if the round glowing moon comes rising
Ab
The fun never ends and will last forever
Eb
Lets dance
Eb
Jump until next morning
Eb Bb
Party all day
Bb
Let's all hold hands and jump around the fire
Ab Bb Bm D
Do not be scared
Ab Bb Eb
You can always come back here anytime
Ab Bb Bm D Ab
We won't leave you so do not worry
Bb Eb
This place will stay forever
Ab Bb
Stars shine and light from up high
Bm
Telling us that the party will not end
Bb Bm
Hey, are you ready to jump now?
E A
We have to bother with many shits
A Dbm B A
I know how it really suck but for now why not party
A
And jump all night long with us
E A
Dbm
I get how you feel so dull to face problems you would never want
B C Eb E
But for now lets jump and sing all night long
E
Jump now!
