

Feist - How Come You Never Go There

Tom: C

Coro:

Am Dm
whoa whoa whoa oh
Am F
whoa whoa whoa oh
C F
How come you never go there
C Dm
How come I'm so alone there

Coro:

Am Dm
whoa whoa whoa oh
Am F
whoa whoa whoa oh
C F
How come you never go there
C Dm
How come I'm so alone there

Verso:

Am Dm
I went up to your window
Am F
Lightly banging on the cymbals
C F
a writ into the night
C Dm
came storming to your house

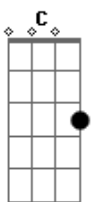

Am Dm
My horse had worked the fields too long
Am F
And there had lost its innate calm
C F
It's true enough for not at peace
C Dm
But peace is never where it seems

Am Dm
Our love is not the light it was
Am F
When I walk inside the dark, I'm calm
C F
Where we look for where it went
C Dm
It's only echoes in the melody

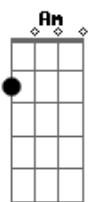

Coro:

Am Dm
whoa whoa whoa oh
Am F
whoa whoa whoa oh
C F
How come you never go there
C Dm
How come I'm so alone there

C Dm
How come I'm so alone there

Solo:

Verso:

Am Dm
We waste time on blame, I wreak revenge
Am F
We use energy and footjections
C F
We're living proof we gotta let go
C Dm
And stop looking through the lay-low

Am Dm
We carry on as if the time is through
Am F
You carry on as if i don't love you
C F
And so we find the way to lie
C Dm
To cover hard I have a doubt

Am Dm
The room's full eyes are empty
Am F
Like your letters never sent me
C F
Your words are like a lasso
C Dm
You're an instrumental tune
