Intro: 1rst Verse

This is played casually over the first verse or just strum the chord
Formations as they are; there are variations throughout the later bits too

There's a limit to your care
So carelessly there
You that drove them down
It's a limit to your care

I love, I love, I love
This drink on my stream
I love, I love, I love
The trouble that you give me
I know i know i know
That only I can save me
I'll go i'll go i'll go
Lie down alone

?Clouds part? ?lesson

There's a limit to your love
Like a waterfall in slow motion
Like a map with no ocean
There's a limit to your love
Your love, your love, your love

Chorus

?There's a limit to your love

You can't really smile
It should be written on your face
I'm piecing it together
There's something out of place

...slow motion? ...Like a waterfall in
...Like a map with no ...ocean

I love, I love, I love
This drink on my stream
I love, I love, I love
The trouble that you give me
I know, I know, I know
That only I can save me
I'll go i'll go i'll go
Out of love

?your love... ...your love? ...your
love?.

Because there is no limit
There's no limit no limit no limit, to my love.
