

# Feito Nós! - Da Minha Janela

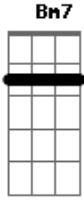

Tom: A

Longe de tudo que não me convém  
 Perto daquilo que me faz tão bem  
 Eu só preciso de você e uma casinha pra morar  
 E do seu livro eu quero ler, pra minha alma alimentar  
 Daquele velho violão e uma rede pra deitar  
 Viver contigo a vida inteira é mais do que eu pedi pra jah  
 Oô,oô,oô
