

Feliciano Amaral - Feliz Manhã

Tom: E

m Já cansados seguimos de noite a penar
 Na jornada da vida cristã
 Mas será para nós tão brilhante o raiar
 Da gloriosa e feliz manhã

Findarão as agruras da vida
 Quando a névoa do mal passar
 Há de a noite fugir ante o vivo luzir

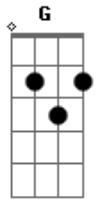

Quando o dia eter-nal raiar
 Há tão grandes mistérios na trilha a seguir
 E prenúncio de lutas e dor
 Mas de nós fugirão quando virmos luzir
 Sua face em real fulgor

Mesmo que nos pareça o caminho sem fim
 Tendo os olhos a lacrimejar
 Recompensas gloriosas teremos enfim
 No bendito e eterno lar
