

Felipe Lima - Congela

tom:

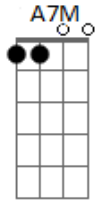

Intro: A A7M D Dm
A A7M D Dm

Congela, nesse frio não posso te ver da janela
É assim, pra mim
Congela, essa distância é tipo cena de novela

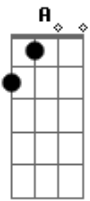

Eu tô aqui, pra ti

Esperando o sol chegar, guardando o seu lugar
Ouvindo a música da gente
Que diz sobre você e o luar, o teu sorriso bom de amar
Assim me encantando sempre
E enquanto, o frio, não vai, estamos separados oh
