

Felipe Oliveira - Bedroom

tom: G

I write songs in my bedroom
 Please leave me in my bedroom
 Don't want you in my bedroom
 I love you, so come to my room

Always trying to write some rhymes
 But I'm thinking about you all the time
 The rythim of my songs get in my head
 Just like you do with me, my bad

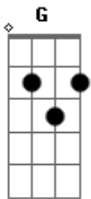

I write songs in my bedroom
 Please leave me in my bedroom
 Don't want you in my bedroom

I love you, so come to my room

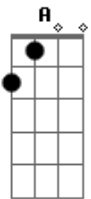

You are messin' with me
 It's weird, I want you but I don't
 I admit, I like you so much
 Yes, I need you in touch

I write songs in my bedroom
 Please leave me in my bedroom
 Don't want you in my bedroom
 I love you, so come to my room
 I write songs in my bedroom
 Please leave me in my bedroom
 Don't want you in my bedroom
 I love you, so come to my room
