

# Felipe Zapa - Dating You

tom:  
 Capotraste na 2ª casa

Hey gotta tell you this  
 These words are coming from my heart  
 Too shy to say it face to face  
 I made you this song

Every time i look at you  
 Every time i talk to you  
 Even when we are far apart

I still can feel my heart, racing

Already feeling jealous, i am missing you  
 You don't know this yet but I'm dating you  
 Counting the hours for a chance so i  
 So i can say how much i love you

Just come  
 I know you are the one  
 answer me at the end of this song  
 You know, i wanna be more than friends  
 I'm gonna ask you this one time  
 Wanna be my girlfriend
