Tom: B

Same old sunrise
 Same old blue skies
 But that was not a ordinary day
 Seconds pass
 Affect the life time
 Some things have the Power
 For a moment To change everything
 And all that I wanted was to know
 How could You ever let me go?
 Little did I know
 That I was right where I Needed to
 Be where You could show me

How high Your glory goes
 How deep Your purpose flows
 How true and never ending is Your love
 How my weakness brings Your strength
 And You make everything
 Beautiful

All my running
 Feeling like nothing
 Some things have the Power
 To keep your life from moving, Going nowhere

I was convinced I was just too weak
 What would You ever want with me
 I could not believe
 That I was right where I Needed to
 Be where You Could show me

How high Your glory goes
 How deep Your purpose flows
 How true and never ending is Your love
 How my weakness brings Your strength
 And You make everything
 Beautiful

I Can Do All Things Through You
 Beautiful

How high Your glory goes
 How deep Your purpose flows
 How true and never ending is Your love
 How my weakness brings Your strength
 And You make everything
 Beautiful

I Can Do All Things Through You
 I Can Do All Things Through You
 I Can Do All Things Through You
