[Primeira Parte]

**B** **Gb** **Abm** **Gb**  
 I wonder if you saw that I was sorry for the beating of my heart

**B** **Gb**  
 And maybe I should tell you

**Abm** **Gb** **E**  
 That I've villainised by body for too long

**Gb** **E**  
 Would it help you find excuses to move on?

**Gb**  
 Like I needed more excuses to be

[Refrão]

**B**  
 Stronger

**Gb**  
 I'm no mother

**E**  
 But I've done a lot

**Gb** **E** **Gb**  
 To prove to those I love that they are good enough

I don't believe in luck so I am giving up

[Segunda Parte]

I hope to find a reason for my fear of feelings leaving at the start

**Gb**  
**E** It makes my sleeping harder

**B** **Gb**  
 I don't know much about you

**Abm** **Gb** **E**  
 So I'm trying not to doubt you, but in time

**Gb** **E**  
 I know you'll let me down and that is fine

**Gb**  
 A feeling I can't shake, it's getting

[Refrão]

**B**  
 Stronger

**Gb**  
 I'm no mother

 I don't believe in luck

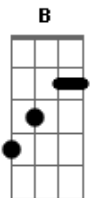

**E**  
 I don't believe in much

**Gb** **E** **Gb**  
 Leave it all to trust or start to give it up
