

Fergie - Big Girls Don't Cry

```
(intro 2x) G G D
       The smell of your skin lingers on me now
        You're probably on your flight back to your hometown
       I need some shelter of my own protection baby
                                            G G D
        Be with myself in center, clarity, peace, serenity
(rápido)
I hope you know, I hope you know
That this has nothing to do with you
It's personal, myself and I
                                                                worlds
           Em
We got some straightening out to do
And I'm gonna miss you like a child misses their blanket
             Fm
But I've gotta get a move on with my life
            G
It's time to be a big girl now
And big girls don't cry
(lento)
\mathsf{G} \quad \mathsf{G} \quad \mathsf{D}
Don't cry, Don't cry, Don't cry
       The path that I'm walking, I must go alone
        I must take the baby steps til I'm full grown
                                           G G D
       Fairy tales don't always have a happy ending do they
       And I forseek the dark ahead if I stay
(rápido)
I hope you know, I hope you know
That this has nothing to do with you
It's personal, myself and I
                                                                 (lento)
      Em
We got some straightening out to do
```

And I'm gonna miss you like a child misses their blanket

But I've gotta get a move on with my life
It's time to be a big girl now
And big girls don't cry
G G D
Don't cry, Don't cry, Don't cry
Like a little school mate in the school yard
We'll play jacks and uno cards
              D
I'll be your best friend
And you'll be my valentine
Yes you can hold my hand if you want to
Cuz I wanna hold yours too
We'll be playmates and lovers and share our secret
   But it's time for me to go home
                  D
                         G
    It's getting late, dark outside
I need to be with myself in center, clarity, peace,
serenity G
I hope you know, I hope you know
That this has nothing to do with you
   G
It's personal, myself and I
We got some straightening out to do
And I'm gonna miss you like a child misses their blanket
                    Em
But I've gotta get a move on with my life
It's time to be a big girl now
And big girls don't cry
G G D
Don't cry, Dont cry, Dont cry
