 Ever since I was a baby girl I had a dream

 Crazy as it seems

 Always knew that deep inside that there would come that day
 Bb2
 But I would have to wait
 F
 Make so many mistakes
 C
 I couldn't comprehend

 As I watched it unfold
 Bb2 F
 This classic story told I left it in the cold
 C
 Walking through an open door that led me back to you
 Bb2 F
 Each one unlocking more of the truth

 Dm7 C
 I finally stopped tripping on my youth
 Dm7 C
 I finally got lost inside of you
 Dm7 C
 I finally know that I needed to grow
 Bb G G
 And finally my mate has met my soul

 [chorus]

 Though we will have our differences

 C
 I remember the beginning you already knew
 Bb2
 I acted like a fool

 Just trying to be cool
 C
 Fronting like it didn't matter

I just ran away
 Bb2
 And on another phase
 F
 Was lost in my own space
 C
 Found what its like to hurt selfishly
 Bb2
 Scared to give of me

 Afraid to just believe

 I was in a jealous, insecure, pathetic place

 Stumbled through the mess that I have made
