

Fergie - Velvet

Tom: C

(intro) B7 Bm7 A7 Gb B7

It's cold outside
 why don't you come in
 I know, my walls are crumbling
 It's late at night
 and lately I've been alone
 but that could be changing
 what you do to me
 conjures up feelings
 I've never felt before
 and your company I adore
 so deliciously
 gold and burgundy
 sink into me I feel so warm
 I feel you
 I taste you the smoothest as wine
 like velvet
 can't help it
 this love's divine
 (B7 Bm7 A7 Gb B7)
 the moon is full
 the stars are aligned
 I know, just look into my eyes

it's beautiful,
 your skin against mine
 I hope, you let your mind take flight
 under velvet skies
 lover we can fly away from the world
 let all of our love unfurl
 what a gorgeous ride
 you don't have to hide
 a thing from me, I am your girl
 I feel you
 I taste you the smoothest as wine
 like velvet
 can't help it
 this love's divine
 I'm ready to feel you
 slowly we escape
 our time we can take , we can take, we can take
 I'm ready to feel you, feel you , feel you, feel you, feel you, feel feel
 I feel you
 I taste you the smoothest as wine
 like velvet
 can't help it
 this love's divine
