

Fernanda Brum - As cores do amor

Tom: F

Intro: C Em Am Dm G Em Am Dm G C F C F

Se eu pudesse descobrir todas as cores do amor
 Saber se é branco como a paz ou azul da cor do mar.

Se eu pudesse descobrir os segredos do amor
 Seria como desvendar mistérios deste teu olhar.

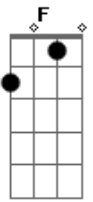

0 amor não é cor ele é simples demais
 Como a brisa ele vem no frescor da manhã

Mas foi no teu olhar então que eu pude perceber
 Que as cores do amor vejo em você.

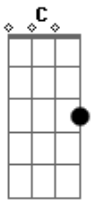

(Dm)

Não há mistérios no amor que há em você
 Porque as cores do amor vejo em você
 Não há mistérios nem segredos
 No amor que agora vejo em você.
