

Fernanda Brum - Puro Nardo

Tom: B

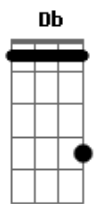

Estou aqui com puro nardo
 Teus pés eu lavo com minhas lágrimas
 Estou aqui apaixonado e admirando o teu amor
 O meu querido vem saltando pelos montes
 Formoso, Amável, Rei
 Esse perfume só me lembra quem Tu és

Meu Lírio bom Delírio em mim
 A minha Rosa de Saron
 O desejado de todas as nações
 O desejado de minh'alma
 Sou como o unguento derramado
 Adorador com puro nardo
 Cativo por inteiro aos teus desejos
 Só sei dizer que Tu és meu todo meu, todo meu! (2x)
