

# Fernanda Takai - Como Dizia o Mestre

Tom: C

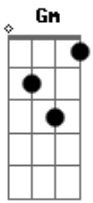

É, acaba a valentia de um homem  
 Quando a mulher que ele ama vai embora  
 É, tanta coisa muda nessa hora  
 Que o mais valente dos homens chora  
 Diz que faz e acontece

Que não tem medo de nada  
 Levanta a voz, fala alto  
 Maltrata a mulher amada  
 E quando ela cisma e vai embora  
 A montanha se desmancha  
 E o mais valente dos homens  
 Chora como criança
