

Fernanda Takai - Diz Que Eu Fui Por Aí

Tom: D

Se alguém perguntar por mim
 Diz que fui por aí
 Levando um violão debaixo do braço
 Em qualquer esquina eu paro
 Em qualquer botequim eu entro
 Se houver motivo
 É mais um samba que eu faço
 Se quiserem saber se volto

Diga que sim
 Mas só depois que a saudade se afastar de mim
 Mas só depois que a saudade se afastar de mim
 Tenho um violão para me acompanhar
 Tenho muitos amigos, eu sou popular
 Tenho a madrugada como companheira
 A saudade me dói, o meu peito me rói
 Eu estou na cidade, eu estou na favela
 Eu estou por aí
 Sempre pensando nela
