Intro: E Abm Dbm A

E Abm  
Touching my body I can feel  
Every scar on my skin  
A  
The time is passing fast  
E Abm  
I'm not like I was five years ago  
Dbm A  
I am more, more than ever  
E Abm Dbm A  
So no, I'm not breaking  
E Abm  
I fell and made the same mistakes  
Dbm A  
But I made, made it my way  
E Abm Dbm A  
I'm not ready to forget myself again  
E Abm Dbm A  
They can say no, but I'm not giving up  
E Abm  
I am burning bridges  
Dbm A  
Tonight I am a flame  
E Abm  
You will know underneath these clothes  
Dbm A

There's still heartbeats  
E Abm  
I fought for myself all these years  
Dbm  
No one can come and  
A  
Break my dreams  
E Abm Dbm A  
I am ready to fight for myself again  
E Abm  
They can say no, but I'm don't give a fuck

I am burning bridges  
Dbm A  
Tonight I am a flame  
E Abm  
You will know underneath these clothes  
Dbm A  
There's still heartbeats
