

Fernando Akay - I Used To Know You

tom:

Intro: **Bb** **Ab** **Ab** **Ab** **Ab** **Ab**

You're Screaming louder than me
I don't have anything to tell you

You're burning all around
Breaking everything you can see

And I wonder
How did we become so nasty
You're lips are moving
But I can not hear anything

I... used to know you
But now I don't know what that means
I... used to love you

But now I can't feel anything

(**Bb** **Ab** **Ab** **Ab**)
(**Bb** **Ab** **Ab** **Ab**)

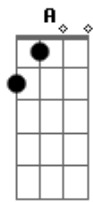

Wasting my time
Trying to cover up what I see
It's not too late
A new time is coming to me

But I... used to know you
But now I don't know what that means
I... used to love you, love
But now I can't feel anything

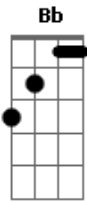

And now I can't feel anything

And now I can't feel anything
