Bm7 Bm G Gbm7 E G Bb
Ê êaô êaá

Doce flor branca
Que à noite és a rainha
Sozinha, confiando em meu amor
Enquanto revela sua beleza
Durmo sonhando em te beijar
De dia voando atrás de ti
À noite tu a me esperar

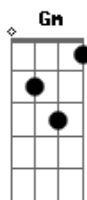

Doce flor branca
Fecundada pelo vento
O meu lamento
É por não te encontrar
Dormirás sem me ver
E eu sem sentir o seu odor
Doce flor branca
Terás seu fruto sem o meu amor
