E agora que eu me dei por total
Apostei nesse amor

Não medi consequência

Você vem me dizer
Dm Am7
Que o amor acabou, paciência
Como consolação

Você disse pra mim, vai passar
Bm7b E7
Essa dor vai passar

Doeu, como eu nunca pensei
De chorar por amor, chorei

Quantas vezes sozinho
F7 F
O seu nome no quarto, eu gritei
F7 F
E não tá sendo fácil a dura missão

De tentar te esquecer, te esquecer

Não sei, onde foi que eu errei
Mas se um dia eu errei
G G
Diz que eu quero acertar
Volta logo pra mim

Porque o meu coração tá querendo parar
