**Bm** **A** **D**  
All my efforts were in vain  
**Em** **Bm**  
The more I try

The more their hatred grows for me  
**Bm** **A**  
After all these years  
**D** **Em**  
Serving and helping my land

I shall give them  
**C** **G**  
What they deserve  
**A**  
What they ask for

[Refrão]

I never thought that we would come to this

I never meant things to go this way

Now you shall pay for your ungratefulness

**Bm** **A** **D**  
For many times I tried to achieve peace  
**Em** **Bm**  
But chaos rose  
**A** **Bm**  
And took all my faith from me  
**A**  
Now my power  
**D** **Em**  
Has taken control over me  
**Bm** **C** **G**  
I can't find a way to stop  
**A**  
The mess I've done

[Refrão]

I never thought that we would come to this

I never meant things to go this way

Now you shall pay for your ungratefulness

Your lives will perish in a world of tears
