

FIDLAR - Awkward

Tom: B

Well every time you come on over, I just wanna listen
 I know you got some issues and I know that you just miss him
 I got a fever just to see her, feeling like a stalker
 And didn't know I'm really good at making you feel awkward

I'm at a party and I'm barfing, I can barely see
 And every time I talk to you well I can never breathe
 I'm getting drunker, I'm a bummer, I should just call her
 And didn't know I'm really good at making you feel awkward

Didn't know I'm really good at making you feel awkward
 I didn't know I'm really good at making you feel awkward

I got no money, got no job, got no self-esteem
 I take a Xanax every morning for anxiety
 I'll take a beer and take another, then I'm gonna call her

I'll probably end up fucking up and making it feel awkward

I'll probably end up fucking up and make it super awkward
 I'll probably end up fucking up and make it super awkward
 I'll probably end up fucking up and make it super awkward
 I'll probably end up fucking up and make it super awkward
