

# Fidura Cardial - Minha Vó Viu Minha Unha

tom:

A

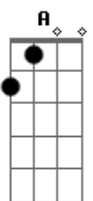

A Bb

Minha vó viu minha unha  
 Pintada de azul  
 Quis me matar e me disse  
 Onde ja se viu?  
 Quem pinta unha é menina!  
 Vou te contar, viu  
 Unha pintada eu não aceito  
 Não admito  
 De jeito nenhum

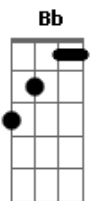

Ôh, vó

Desde que o mundo é mundo  
 Tudo muda a cada minuto  
 Eu respeito sua opinião, vó  
 Mas fico triste ao mesmo tempo  
 Pois sei que num pequeno exemplo  
 Há um problema muito mais sério  
 Você não vai me matar, eu sei  
 Mas tem gente morrendo  
 O ódio que escorre da boca da gente  
 É pior que veneno
