

Fifth Harmony - Better Together

Tom: Eb

(com acordes na forma de D)
Capostrate na 1ª casa
Intro: A D Db D A Bm A

When we were together
We were just strangers
I was just playing around
So I didn't wanna work it out
No I didn't wanna work it out
Thought something was missing
And we were too different
Baby I've been looking back now
I really should've worked it out
Yeah I really should've worked it out
Because now that you're gone
And I sleep alone
I can't help it I want you back
'Cause I

(Refrão)
Boy I miss you
Said I really do
Boy I miss you
Don't understand that we're better together
Boy I miss you
Said I really do
Boy I miss you
Don't understand that we're better together
We're better
We're better
We're better
We're better
We're better
We're better
You know we're better together
We're better
We're better
We're better
We're better
We're better
You know we're better together

Watching you with her
Thinking I had you
How was I ever so dumb
Boy I should've known that you're the one
Boy I should've known that you're the one
So if it's not too late
I just wanna know baby
Tell me if we could still run
Because I finally know that you're the one
Yeah I really know that you're the one
Because now that you're gone
And I sleep alone
I can't help it I want you back
'Cause I

Boy I miss you
Said I really do
Boy I miss you
Don't understand that we're better together
Boy I miss you
Said I really do
Boy I miss you
Don't understand that we're better together
We're better
We're better
We're better
We're better
We're better
You know we're better together
We're better
We're better
We're better
We're better
We're better
You know we're better together
