

# Fifth Harmony - Body Rock

Tom: G

I'm dancing in the rain, 'cause there's a fire burning deep inside of you.

I'm locked into your chain, 'cause I'm addicted to the way your body moves.

Oh my heart racing and my temperature is blazing through the roof.

And I'm tired of this charade, 'cause I can't hide the way I'm fiending over you.

I'm overwhelmed I might as well stay underneath the spell you put on me.

And when you touch me, I can feel it in my veins like electricity.

All day I'm only think 'bout you

All day you got me going baby

All ways I love the way your body rocks when we rock, you rock with me

Body rock, body rock, you rock with me.

See this is how real love suppose to be.

Body rock, body rock, you rock with me.

See this is how real love suppose to be. Body rock

See this is how real love suppose to be.

Body rock, body rock, you rock with me.

See this is how real love suppose to be.

Body rock And it makes no sense at all

How your love takes me off the wall And make my body rock

All day I'm only think 'bout you

All day you got me going baby

All ways I love the way your body rocks when we rock, you rock with me

Body rock, body rock, you rock with me.

See this is how real love suppose to be.

Body rock, body rock, you rock with me.

See this is how real love suppose to be.

Body rock Put your hands up in the air Put your hands up in the air.
