

Fifth Harmony - Deliver

```
Tom: C
                                                                I never hit or miss, he know I always come through (Through)
He know I keep it ready on the regular
                                                                Show up looking like my photo, keep it full proof (Proof)
                                                                When you call me, know you know just what I'm gon' do, gon' do
So I don't have to get ready, ain't no setting up
When I give it, I make sure I give more than enough, yeah
                                                                Yeah, my baby knows that I deliver
    He know, he know this, he know, he know this
                                                                That's exactly what I'm gon' do, do
No need for replacements or a warranty
                                                                                D
                                                                Yeah, my baby knows that I deliver
And he'll never need another, that's a guarantee
                                                                He know what's coming when I come through, through
I can overnight this body if that's what you need, yeah
                                                                I know you got the message, I deliver
   He know, he know this, he know, he know this
                                                                That's exactly what I'm gon' do, do (Exactly what I'm gonna
I never hit or miss, he know I always come through
                                                                Yeah, my baby knows that I deliver (I deliver, yeah)
Show up looking like my photo, keep it foolproof
                                                               He know what's coming when I come through
When you call me, know you know just what I'm gon' do, gon' do
(What I'm gon' do)
                                                                On your doorstep like UPS, won't send it back
Yeah, my baby knows that I deliver
                                                                You're hard to please, just like me, I'll give you that (I'll
                                                                give you that)
That's exactly what I'm gon' do, do
                                                                I'll bring you something that you wanna unpack
Yeah, my baby knows that I deliver
                                                                You can say I'm reliable like that (Oh)
He know what's coming when I come through, through
                                                                I never hit or miss, he know I always come through (Through)
I know you got the message, I deliver
That's exactly what I'm gon' do, do
                                                                Show up looking like my photo, keep it full proof (Proof)
                D
Yeah, my baby knows that I deliver
                                                               When you call me, know you know just what I'm gon' do, gon' do
He know what's coming when I come through
                                                                Yeah, my baby knows that I deliver
I ain't even gotta try, it's in my DNA (In my DNA)
                                                                That's exactly what I'm gon' do, do
                                                                Yeah, my baby knows that I deliver (My baby knows that I
Always get the job done way too easily (Yeah)
I assure you, I back up what's on my resume
                                                                Know what's coming when I come through, through
Yeah, I know you know this, I know you notice
                                                                I know you got the message, I deliver
I, I'm never letting down (I'm never letting you)
                                                                That's exactly what I'm gon' do, do
I'm all that you heard about
                                                                               D
                                                                Yeah, my baby knows that I deliver (I deliver, yeah, I
Why? That's why you come around
                                                                deliver, yeah)
     I know you know this, I know you know this
                                                                Know what's coming when I come through
