[Gucci Mane]

It's just like Bonnie and Clyde just walked in  
A gangster and his bride walked in  
We on the same time and we ballin'  
Got me showin' off my wing like I'm Jordan  
And I'ma hold you down like you hold me  
And I never tell a soul what you told me

When I was sitting' in the cells is when  
you showed me  
It takes a real one to put up with the old me  
That's why you in the coup with the low seat  
That's why we at the game on the floor seats  
My diamond that tehy seein' from the nosebleeds  
You make'em mad, feel like you won a trophy

[Chorus: Fifth Harmony]

Long as you're holding me down,down, down  
I'm gon' jeep lovin' you down,down, down  
Long as you're holding me down,down, down  
I'm gon' jeep lovin' you down,down, down  
(love you down)  
I'm gon' keep lovin' you down, down, down  
Long as you're holding me down, down, down

I'm gon' jeep lovin' you down,down, down  
Long as you're holding me down,down, down  
(I'm gon' jeep lovin' you down)  
I'm gon' keep lovin' you down, down, down  
(Love is in love with me, boy)  
I'm gon' keep lovin' you
