

# Fifth Harmony - If These Walls Could Talk

Tom: Ab

(com acordes na forma de G)  
 Capotraste na 1ª casa  
 Intro: Em G D

I can't make coffee, stare out of my window  
 Cause that's the place you left me, standing there  
 I hate this hallway for memories in the frames  
 Are a sobering reminder you're not here  
 Yeah, I know I make mistakes  
 Cause my pride is in the way  
 You slipped right through my hands  
 But if you were here right now  
 Long enough to hear me out  
 I can make you understand

If these walls could talk  
 They'd tell you how much I miss you  
 How I'm trying everything to forget you  
 How I'm crying every night cause  
 I wish you were here with me  
 If these walls could talk  
 They'd tell you that I never deserved you  
 They know I never meant to hurt you  
 Baby, you would know it all  
 If these walls could talk

(Em C G D )  
 (These walls, these walls, these walls) (x2)

I lay in my bedroom, and dream of when I had you  
 When I wake the sad truth closes in  
 It's really over, you're not coming back, no  
 Don't think I can handle all of this

Yeah, I know I make mistakes  
 Cause my pride is in the way

You slipped right through my hands  
 But if you were here right now  
 Long enough to hear me out  
 I can make you understand  
 If these walls could talk  
 They'd tell you how much I miss you  
 How I'm trying everything to forget you  
 How I'm crying every night cause  
 I wish you were here with me  
 If these walls could talk  
 They'd tell you that I never deserved you  
 They know I never meant to hurt you  
 Baby, you would know it all  
 If these walls could talk

Oh uhh  
 If these walls could talk  
 You'd believe that everything I say, I mean  
 You would know how much I need you now

If these walls could talk  
 They'd tell you how much I miss you  
 How I'm trying everything to forget you  
 How I'm crying every night cause  
 I wish you were here with me  
 If these walls could talk  
 They'd tell you that I never deserved you  
 They know I never meant to hurt you  
 Baby, you would know it all  
 If these walls could talk

These walls, these walls, these walls  
 These walls, these walls

These walls
