

## Fifth Harmony - Sledgehammer

Tom: G				I struggle to contain
C G				Whoa oh Em C
If you could take my pulse right now	С	G	D	The love that's in my veins Oh oh
It would feel just like a sledgehammer	Ĭ	Ŭ	_	G D And how it circulates
If you could feel my heart beat now	С	G	D	Oh oh
It would hit you like a sledgehammer	C	Ü	D	C G If you could take my pulse right now
C G I don't admit it				Em D C G  It would feel just like a sledgehammer
Em D I play it cool				C G If you could feel my heart beat now
C G But every minute				Em D C G It would hit you like a sledgehammer
Em D That I'm with you				C G
C G				You're taken over the beat of my body Em D
I feel the fever and I won't lie Em D				You just don't let up, don't let up C G
I break a sweat C G				You're taken over the beat of my body Em D
My body's telling Em D				But you lift me up, lift me up C G
All the secrets I ain't told you yet				If you take my pulse right now  Em D C G
C Oh oh				It would feel just like a sledgehammer
G D I struggle to contain				Am G The truth is out
Whoa oh Em C				Em No stopping now
The love that's in my veins Oh oh				I'm getting closer
And how it circulates				Am G I've had enough
Oh oh				Em Undress my love
If you could take my pulse right now		6		I'm coming over
It would feel just like a sledgehammer	С	G	D	C G
If you could feel my heart beat now				If you take my pulse right now  Em D C G
It would hit you like a sledgehammer	С	G	D	It would feel just like a sledgehammer, oh  C  G  And if you take my pulse right now
C G				And if you take my pulse right now  Em D C G
You're taken over the beat of my body  Em  D				It would feel just like a sledgehammer, hammer, (D)
You just don't let up, don't let up  C  G  You're taken over the best of my bedy				If you take my pulse
You're taken over the beat of my body  Em D  But you lift me up, lift me up				If you could take my pulse right now Em D C G
C G  If you take my pulse right now				It would feel just like a sledgehammer
D  It would feel just like a sledgehammer	С	G	D	If you could feel my heart beat now Em D C G
C G				It would hit you like a sledgehammer
So close together Em D				C You're taken over the beat of my body
So far apart				You just don't let up, don't let up
You're turning me on				C
Em D And my fire's waitin' for your spark				You're taken over the beat of my body  Em  D  But you lift me up lift me up
C Oh oh				But you lift me up, lift me up C If you take my pulse right now
Oh oh G D				Em D C G  It would feel just like a sledgehammer
				just time a steagenammer
