

Fifth Harmony - This Is How We Roll

Tom: D

D
 This is how we roll We stay in the street and get it all week 'cause
 This is how we roll We gotta get out, can't stay in the house 'cause
 The party don't end, every weekend Turn up baby burn up, again and again.
 This is how we roll We rolling, we rolling, we rolling.

D
 Everybody in the party If you came here to party
 Better move your body Damn look at that body
 Everybody in here Put your hands in the air
 Wave em like you don't care Let me hear you say yeah

D
 This place is jumping We keep it bumping.
 The boys keep watching Wanna leave with something.
 We making it clap Clap clap clap clap.
 We don't need hands for that That that that that.

D
 This is how we roll We stay in the street and get it all week 'cause
 This is how we roll We gotta get out, can't stay in the house 'cause
 The party don't end, every weekend Turn up baby burn up, again and again.
 This is how we roll We rolling, we rolling, we rolling.

D
 Get wild and crazy If you wanna get crazy
 So free so young So you can't blame me, yup
 Let's get this clear All the boys over there

D
 Keep looking over here But we don't care
 This place is jumping We keep it bumping.
 The boys keep watching Wanna leave with something.
 We making it clap Clap clap clap clap.
 We don't need hands for that That that that that.

D
 This is how we roll We stay in the street and get it all week 'cause
 This is how we roll We gotta get out, can't stay in the house 'cause
 The party don't end, every weekend Turn up baby burn up, again and again.
 This is how we roll We rolling, we rolling, we rolling.

D
 Pull your camera out 'Cause someone's gonna wanna see this
 Take a picture snap it Aye, post it for the world
 'Cause when we going out We run the town Better believe it

D
 We gone be sexy sexy Me and my girls, girls, girls
 This is how we roll

D
 This is how we roll We stay in the street and get it all week 'cause
 This is how we roll We gotta get out, can't stay in the house 'cause
 The party don't end, every weekend Turn up baby burn up, again and again.
 This is how we roll We rolling, we rolling, we rolling.
