

# Fifth Harmony - Worth It

Tom: Eb

**Cm** **G**  
 Give it to me, I'm worth it  
 Baby, I'm worth it  
 Uh huh, I'm worth it  
 Gimme, gimme, I'm worth it

Give it to me, I'm worth it  
 Baby, I'm worth it  
 Uh huh, I'm worth it  
 Gimme, gimme, I'm worth it

**Cm** **G**  
 Okay, I tell her bring it back, like she left some  
 Bring it, bring it back, like she left some  
 Uh, in the club, with the lights off  
 What you actin' shy fo'? Come and show me that you  
 Wid it, wid it, wid it, wid it, wid it  
 Stop playin', how you know that I  
 Wid it, wid it, wid it, wid it, wid it, wid it  
 What you actin' shy for?

**Cm** **G**  
 Just gimme you, just give me you  
 Just gimme me you, that's all I wanna do  
 And if what they say is true, if its true  
 I might give me to you  
 I may take a lot of stuff  
 Guaranteed I can back it up  
 I think I'ma call you bluff  
 Hurry up, I'm waiting out front

**Ab** **Eb** **Bb**  
 Uh huh, you see me in the spot, like, ooh, I love your style  
**Ab** **Eb** **Bb**

Uh huh, show me what you got, 'cus I don't wanna waste my time  
**Ab** **Eb** **Bb**  
 Uh huh, you see me in the spot, like, ooh, I love your style  
**Ab** **Eb** **Bb**  
 Uh huh, show me what you got, now come and make it worth my  
 while

**Cm** **G**  
 Give it to me, I'm worth it  
 Baby, I'm worth it  
 Uh huh, I'm worth it  
 Gimme, gimme, I'm worth it

Give it to me, I'm worth it  
 Baby, I'm worth it  
 Uh huh, I'm worth it  
 Gimme, gimme, I'm worth it

**Cm** **G**  
 It's all on you, it's all on you  
 It's all on you, so what you wanna do?  
 And if you don't have a clue, not a clue  
 I'll tell you what to do  
 Come harder just because  
 I don't like it, like it too soft  
 I like it a little rough, not too much, but maybe just enough
