

# Filhos de Jorge - Saudades de Você

Tom: A

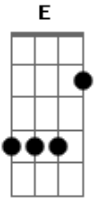

Você deixou gravado o seu cheiro  
 Agora ele não sai do travesseiro  
 E o que é que eu vou fazer com essa saudade?  
 Saudade, oh saudade!  
 Saudade do abraço  
 Do beijo molhado que você me deu

E dos carinhos antes de fazer amor  
 De acordar do seu lado  
 E ter você pertinho de mim  
 Saudade de você aqui  
 Saudade  
 A lembrança do seu beijo  
 Toda vez me dá calor  
 Saudade, saudade
