

Filhos do Homem - Como é Bom

Tom: A

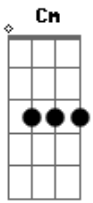

Pra sempre, sempre eu vou cantar
 Preencheste o vazio do meu coração
 Desde que te encontrei tudo se transformou
 Hoje os meus sonhos são os sonhos do Senhor
 Com novas vestes me presenteou

Curou as dores do meu coração
 Hoje vivo em santidade, vivo só pro teu louvor
 Como é bom adorar
 E em tua presença tomado ficar
 Como é bom experimentar
 Esse amor, esse abraço que só tu podes dar
