

Finger Eleven - Slow Chemical

tom:

Am

The wonder of the world is gone I know for sure

Dm Am Dm

All the wonder that I want I found in her

Am Dm

As the whole becomes a part I strike to burn

Am

And no flame returns

Dm Am Dm

Every intuition fails to find it's way

Am Dm

One more table turned around I'm back again

Am

Finding I'm more lost

And found when she's not around

Dm

When she's not around I feel it coming down

Am Dm

Give me what I could never ask for

Am Dm E

Connect me and you could be my chemical now

Am Dm

Give me the drug you know I'm after

Am Dm F

Connect me and you could be my chemical

Am G

When everybody wants you

(The chemical goes slow)

Am G

When everybody wants you (The chemical gets)

F

Slow and

Dm

Slow and

F G

Everybody wants you, so

F

Slow and

Dm

Slow and

F G Am

Everybody wants your soul

Am Dm

Give me what I could never ask for

Am Dm E

Connect me and you could be my chemical now

Am Dm

Give me the drug you know I'm after

Am Dm F

Connect me and you could be my chemical

Dm Am

You could be the chemical

Dm Am

You could be the chemical

Dm Am

You could be the chemical

Dm Am

You could be the chemical

Dm Am

You could be the chemical
