

# Finneas - Happy Now?

tom:  
 Em  
 Aren't I supposed to be happy now?  
 Em Bm D7M  
 There's nothing left for me to laugh about  
 Em  
 Happy now  
 D7M  
 They're all so happy for me  
 Em  
 So take a drive around town in my douchebag car  
 D7M  
 Like the superstar that I pretend to be  
 Em  
 Nothing feels better than buying love  
 D7M  
 When push comes to shove, I'm lonely  
 Em  
 With everybody talking 'bout you  
 D7M  
 You won't remember who you are  
 Em  
 Everybody talking 'bout you  
 F7  
 Doesn't get you far  
 Em  
 I was supposed to be happy now  
 Bm  
 There's nothing left for me to laugh about  
 Em  
 I was supposed to be happy now  
 D7M  
 They're all so happy for me  
 Em  
 Always such an anxious child  
 D7M  
 Never wild  
 D7M  
 Always worrying

Em  
 Never any good with surprises  
 Compromises  
 D7M  
 I wanted everything  
 Em  
 They'd tell me: Everything is not about you  
 D7M  
 It doesn't matter who you are  
 Em  
 Everything is not about you  
 F7  
 But if you work hard  
 Em  
 Aren't we supposed to be happy now?  
 Bm D7M  
 There's nothing left for me to laugh about  
 Em  
 I was supposed to be happy now  
 D7M  
 They're all so happy for me  
 ( Em D7M )  
 ( Em F7 )  
 Em  
 Happy now  
 Bm D7M  
 There's nothing left for me to laugh about  
 Em  
 I was supposed to be happy now  
 D7M  
 They're all so happy for me  
 Em  
 And if I'm not, I'll never be happy now  
 Bm D7M  
 There's nothing left for me to laugh about  
 Em  
 Maybe I'll never be happy now  
 D7M  
 They're all so happy for me
