

Finneas - Heaven

tom:

D

Gbm

Call out of work

Can't be bothered

It's all the same

Call it absurd

Putting you first

Drive me insane

So what if I'm fucked up, fallen in love?

So what if I'm such a sucker for pleasure?

So what if one night is never enough?

Drive me insane

Don't stop

Tell me, tell me, tell me

Don't stop

Heaven isn't as wonderful

Heaven isn't as beautiful as you

Isn't as wonderful

Heaven isn't as beautiful as you

We got big plans

Acordes

In bed again

'Cause you're no saint

Slipping my hand under your dress

I'm glad you came

Don't stop

Tell me, tell me, tell me

Don't stop

Heaven isn't as wonderful

Heaven isn't as beautiful as you

Isn't as wonderful

Heaven isn't as beautiful as you

So what if I'm fucked up, fallin' in love?

So what if I'm such a sucker for pleasure?

So what if one night is never enough?

Drive me insane

Heaven isn't as wonderful

Heaven isn't as beautiful as you

Isn't as wonderful

Heaven isn't as beautiful as you
