

# Finneas - How It Ends

tom:  
Capostrate na 2ª casa <sup>Dbm</sup> (forma dos acordes no tom de <sup>Bm</sup>)

[Verse 1]

What's the <sup>Em</sup> point  
Of all of those <sup>A</sup> migraines  
If life's so <sup>Dmaj9</sup> short?  
Don't spend it <sup>Bm</sup> my way  
Try to <sup>Em</sup> avoid  
A <sup>A</sup> pointless time change  
If you wanna <sup>Dmaj9</sup> see the world  
Don't take the <sup>Bm</sup> highway

[Pre-Chorus]

If you wanna <sup>Em</sup> dance again, you can dance again  
Use a <sup>A</sup> lifeline, honey, phone a friend  
It'll take some time, it'll make you <sup>Dmaj9</sup> glad  
To have what you had <sup>Bm</sup> again

[Chorus]

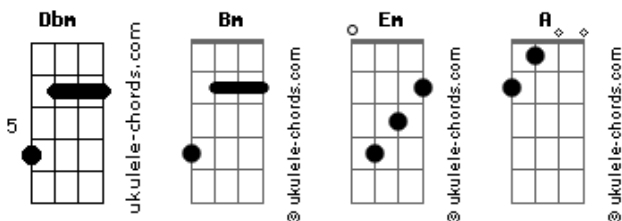

This isn't <sup>Em</sup> how it ends  
This isn't <sup>A</sup> where we put down our pens  
Go tell the <sup>Dmaj9</sup> businessmen  
This isn't <sup>Bm</sup> how it ends

[Verse 2]

Go sell your <sup>Em</sup> shares  
If you're so <sup>A</sup> worried (If you're so worried)  
If life's so <sup>Dmaj9</sup> short (Life's so short)  
What's your <sup>Bm</sup> hurry? (What's your hurry?)  
When you get <sup>Em</sup> there  
You'll tell the <sup>A</sup> jury  
That you didn't wanna <sup>Dmaj9</sup> get involved (Get involved, get involved)  
'Cause you want <sup>Bm</sup> mercy (You want mercy)

[Pre-Chorus]

## Acordes

If you wanna <sup>Em</sup> dance again, you can dance again  
Use a <sup>A</sup> lifeline, honey, phone a friend  
It'll make you cry when you make <sup>Dmaj9</sup> amends  
Who wants a <sup>Bm</sup> millionaire when you can have a friend?

[Chorus]

When it <sup>Em</sup> ends  
When we can finally put down our <sup>A</sup> pens  
Go tell the <sup>Dmaj9</sup> businessmen  
If this is how it <sup>Bm</sup> ends  
I want my money <sup>Em</sup> back  
I wanna watch you all <sup>A</sup> overreact  
Don't tell me not to <sup>Dmaj9</sup> lie  
Don't tell me how it <sup>Bm</sup> ends

[Post-Chorus]

<sup>Em</sup> Woah  
<sup>A</sup> Woah  
<sup>Dmaj9</sup> Oooooh-oh  
<sup>Bm</sup> Oooooh-oh

<sup>Em</sup> Oooooh-oh  
<sup>A</sup> Oooooh-oh  
<sup>Dmaj9</sup> Oooooh-oh  
<sup>Bm</sup> Oooooh-oh

[Pre-Chorus]

If you wanna <sup>Em</sup> dance  
Honey, dance--- you can <sup>A</sup> dance  
Better take--- It'll make <sup>Dmaj9</sup>  
Who wants a <sup>Bm</sup> millionaire when you can have a friend?

[Chorus]

If you wanna <sup>Em</sup> dance again, you can dance again  
Use a <sup>A</sup> lifeline, honey, phone a friend  
It'll make you cry when you make <sup>Dmaj9</sup> amends  
Who wants a <sup>Bm</sup> millionaire when you can have a friend?
