

# Finneas - I Don't Miss You At All

Tom: Ab

(forma dos acordes no tom de E )

Capostrate na 4ª casa

Intro: Dm Am G  
C Dm Am

I swear I don't

Dm Am G

C Dm Am

Miss you at all

Dm Am G

And I barely still remember

C Dm Am

Who's in the pictures on my wall

Dm Am G

'Cause, no, I can't

C Dm Am

Recall your scent

Dm Am G

Jasmine tuberose and lily

C Dm Am

Or your silly French accent

Dm Am G

All but forgotten

C Dm Am

About those eyes

Dm Am G

The shade of green that if he'd seen

E

Would make F. Scott Fitzgerald cry

Dm Am G

But I won't

C Dm Am

Break down at 2AM and call

Dm Am G

'Cause I don't

Miss you at all

And I'm sleepin' fine

Dm Am G

I don't mean to boast

C C7M Am

But I only dream about you

Dm Am G

Once or twice a night at most

C Dm Am

And it feels so good

Dm Am G

Eating alone

C C7M Am

I don't get distracted by your smile

Dm Am G

And miss the green lights driving home

C Dm Am

No sign of stopping

Dm Am G

The house isn't far

C C7M Am

But I think our song is coming on

Dm Am G

And now I wanna crash the car

E

But I won't

Dm Am G

Make that mistake again and fall

C Dm Am

So I say I don't

Dm Am G

Miss you at all

C Dm Am

And someday I won't

Dm Am G

Miss you at all
